

*The 2<sup>nd</sup> Phi Delta Kappa - Washington State*  
**Research Conference for Teachers and Educators**  
October 11, 2008 • 12:00 Noon – 5:15 pm  
University of Washington, Waterfront Activities Center • Seattle, WA

**“High Performing Educators – What makes a great teacher?”**

The PDK Washington Chapter Research committee is pleased to announce its second Research Conference for PDK members and state-wide educators. The conference theme is aligned with the upcoming fall conference sponsored by the PDK International which will take place in San Antonio, TX. Thus, this is the opportunity for all the Washington Kappans to address educational issues and research on how educators are sharing their research on “High Performing Educators – What makes a great teacher?”
